GADADASU SUDARSHAN

sudarshangadadasu@gmail.com | **+91-9440876669** | github.com/dev456123

Education

Jawaharlal Nehru Technological University Anantapur, India	**2021 - 2024**
● Bachelor of Technology in Computer Science| CGPA: 8.30	(expected)
Narayana Junior College, India	**2018 - 2020**
● *INTERMEDIATE (Class XII), Aggregate:96.4*	
Narayana High School , India	**2017 - 2018**
● *SSC (Class X), CGPA: 10*	

Skills

C++ | C | Java | Python | Html | Css | JavaScript | PHP | AWS | React | Node.js| MongoDB | SQL | Git | Github | Linux

Work Experience

Solar Secure Solutions | Full Stack intern   **May'23 - Jul'23**
- Successfully **improved** the comprehensibility development of dynamic ordering systems.
- **Helped** clients by increasing online orders.

Projects

E-Commerce Website(Internship)
- *A Fast Food Website using Html, Css, JavaScript, Node.js, and MongoDB where customers can order food items*
- Authorized Client can upload, edit, and delete food items from menu and users can add or remove order from cart
- All the essential features like real-time order tracking, interactive UI and integration with payment gateways were taken

Course full stack app (React)
- Successfully completed an intensive training program focused on selling full-stack solutions, specializing in utilizing cutting-edge technologies such as React, Node.js, Express, and MongoDB.
- Showcased expertise in promoting full-stack courses, excelling in React for dynamic UIs, Node.js/Express for robust server-side development, and MongoDB for efficient data management.

Dynamic Profile Builder using cms (Final year Project)
- Dynamic Profile Builder utilizes PHP and MySQL to enable college faculty to create unique websites effortlessly. It offers a user-friendly interface where faculty can input their data without needing any knowledge of web development, simplifying the website creation process.
- Dynamic Profile Builder autonomously generates personalized web pages for faculty, organizing their data dynamically.

Academic and Extracurricular Achievements

- Certified as NSS volunteer in JNTUA college of engineering , Anantapur.
- Attended a two day Nvidia workshop on Iot in our college .
- Co-organized national level technical symposium called PIXEL in our college.

Positions of Responsibility

PIXEL FEST | Event Coordinator   **Jun'20 - Present**
- Involved in planning and managing college events, conferences, or charity fundraisers.
- As a member of NSS ,Organized a BLOOD DONATION CAMP.

Personal Abilities

- Team Player
- Dedicated towards work
- Good communication and organizing skills
- Reading Books

Hobbies

- Watching movies/anime
- Reading mangas/novels
- Duplicating websites for fun
